May 10, 2020

Dear Willington Parents/Guardians,

Please review this letter for information on the Interim Learning Plan and meal service for May 11-15.

Thank you to those parents who took a moment last week to recognize our staff for their dedication. The administrative team can attest that our staff is working extremely hard as they try to balance work with their own family situation. We are both inspired and proud of their work as they have had to reinvent themselves to meet district expectations. Please know the staff misses all the students terribly, seeing their successes and “a-ha” moments in the classroom, on stage, and on the athletics field. Our staff is currently making plans for the last 6 weeks of the year and more details will be forthcoming. Staff may be unavailable at times this week as they will be closing their physical classrooms for summer cleaning.

We would like to wish all families a Happy Mother’s Day and recognize you for all of your hard work. In these challenging times we are all juggling parenting, educating our children, working or being out of work, and the health and safety of our families. During this time we are redefining education as well as parenting. The perfect parent does the best they can for their family, which looks different for everyone, and knows they have a community to support them. And the perfect parent goes easy on themselves. We want to encourage you to do the best you can, know that we are here for you and take time to care for yourselves.

Interim Learning Plan

The Willington Public Schools Interim Learning Plan (ILP) will again have a balance of teacher assigned instruction and online programs. Please contact your child’s teacher with issues regarding the programs or assignments.

Administrator Open Office Hours

Willington administrators will be available on Zoom this week to answer any questions that you might have about our Interim Learning Plan or anything to do with the end of the school year. All 8th-grade parents will also have an opportunity to provide feedback on maintaining end-of-the-year traditions in the face of this school closure. Below are the codes to access these informational/feedback sessions. As always, we hope to provide support and guidance however possible during these challenging times.

School Breakfast and Lunch

The Willington Public Schools Food Service staff will be serving meals, breakfast and lunch, on Monday and Wednesday. Meals will be provided for every day of the week, but pick-up and delivery will only occur on Monday and Wednesday. Meals will continue to be provided at the back of Hall School and pick-up will be between 11:00 a.m. and 1:00 p.m. Please order ahead so we know how many meals to make. [Please click here](#) to order meals for your child(ren) for the entire week and remember that all meals are free. Please submit your form by 9:00 a.m. on Monday, May 11.

Thank you for your continued support and please call the office at Hall Memorial School at 860-429-9391, Center Elementary School at 860-429-9367, or the Superintendent's office at 860-487-3130 if you need assistance.

Sincerely,

The Willington Public Schools Administrative Team

The following resources are meant to be an addition to the Interim Learning Plan (ILP). These activities and lessons have been created by Willington teachers in various subjects to further the progress of students during this time. Students will still only be held accountable for the required math and language arts materials in the ILP calendar, however, we sincerely hope that families will spend time engaging in our supplemental activities. Below are links to our supplemental materials. As always, please contact your child's teacher if you have any questions at all.

Center School Supplemental Items

Use the links below to access more materials to keep your student engaged and progressing at home! In the near future we will be considering adding the supplemental activities to the SEESAW platform for your child to access.

With the addition of teacher assigned lessons, we are asking that all HMS students be enrolled in Google Classroom to access their online learning materials. If your student is not yet signed up for these virtual classrooms, please follow the link below and enter the class codes as listed. Please be aware that you must be logged into your student's Wellington Schools issued Google account in order to access these classrooms. If you are logged into an account that is outside our domain, the program will indicate that you have entered an "invalid code." All of the required activities in the ILP will appear in Google Classroom. This means that you can use either the calendar above or Google Classroom to access the weekly work for a student. As always, please let your child's teacher know if you have any questions or issues accessing these materials.

HMS Google Classroom Online Learning Materials

Use the link below to access both the required and supplemental materials in Google Classroom. If your student is already signed up for the appropriate Google Classroom, simply click the links provided in the calendar above.
