

WILLINGTON PUBLIC SCHOOLS

40A Old Farms Road Willington, CT 06279 Phone: 860.487.3130 Fax: 860.487.3132

Phil Stevens, Superintendent

May 3, 2020

Dear Willington Parents/Guardians,

Please review this communication for information on the Willington Public Schools Interim Learning Plan and meal service for May 4-8.

Interim Learning Plan

This week the Willington Public Schools Interim Learning Plan (ILP) will have a balance of teacher assigned instruction, which may include recorded lessons, and online programs. We are working on creating parent training sessions, most likely through *Zoom*, to help parents navigate *Seesaw* and *Google Classroom*. These platforms were created for teachers to utilize when students were in school and have been modified to support learning from home. Thank you for your patience as we adjust to these programs. Please contact your child's teacher if you are having difficulties with either program.

School Breakfast and Lunch

The Willington Public Schools Food Service staff will be serving meals, breakfast and lunch, on Monday and Wednesday. Meals will be provided for every day of the week, but pick-up and delivery will only occur on Monday and Wednesday. Meals will continue to be provided at the back of Hall School and pick-up will be between 11:00 a.m. and 1:00 p.m. Please order ahead so we know how many meals to make. [Please click here](#) to order meals for your child(ren) for the entire week and remember that all meals are free. Please submit your form by 9:00 a.m. on Monday, May 4.

Thank you for your continued support and please call the office at Hall Memorial School at 860-429-9391, Center Elementary School at 860-429-9367, or the Superintendent's office at 860-487-3130 if you need assistance.

Sincerely,

The Willington Public Schools Administrative Team

***Please note that all times stated are the minimum expected.**

The following resources are meant to be an addition to the Interim Learning Plan (ILP). These activities and lessons have been created by Willington teachers in various subjects to further the progress of students during this time. Students will still only be held accountable for the required math and language arts materials in the ILP calendar, however, we sincerely hope that families will spend time engaging in our supplemental activities. Below are links to our supplemental materials. As always, please contact your child's teacher if you have any questions at all.

Center School Supplemental Items

Use the links below to access more materials to keep your student engaged and progressing at home! In the near future we will be considering adding the supplemental activities to the SEESAW platform for your child to access.

Grades 5 and 6 Google Classroom Code: tnk2ias

Grades 7 and 8 Google Classroom Code: chuuzch

With the addition of teacher assigned lessons, we are asking that all HMS students be enrolled in Google Classroom to access their online learning materials. If your student is not yet signed up for these virtual classrooms, please follow the link below and enter the class codes as listed. Please be aware that you must be logged into your student's Wellington Schools issued Google account in order to access these classrooms. If you are logged into an account that is outside our domain, the program will indicate that you have entered an "invalid code." All of the required activities in the ILP will appear in Google Classroom. This means that you can use either the calendar above or Google Classroom to access the weekly work for a student. As always, please let your child's teacher know if you have any questions or issues accessing these materials.

HMS Google Classroom Online Learning Materials

Use the link below to access both the required and supplemental materials in Google Classroom. If your student is already signed up for the appropriate Google Classroom, simply click the links provided in the calendar above.
