---

Phil Stevens, Superintendent

May 17, 2020

Dear Willington Parents/Guardians,

Please review this letter for information on the Interim Learning Plan and meal service for May 18-22.

Thank you to the parents who participated in our *Zoom* feedback sessions last week. We heard some constructive feedback and are actively pursuing solutions to improve our Interim Learning Plan (ILP) and overall experience for students and families. Feedback was positive regarding *Zoom* sessions with teachers and seen as a crucial component of our ILP. Participants also praised the addition of *Seesaw* and shift from online programs to more teacher-directed instruction. We are working on a further shift from programs so our teachers can have more autonomy with their lessons to increase engagement. Please continue to reach out to your child's teacher and/or principal to provide feedback on what is working and items you feel could use adjustment. As you are all aware, you are a major partner in learning from home and we greatly appreciate your feedback.

## **HMS Locker Cleanout and Lost and Found**

Please don't forget to complete the survey ([Click here for survey](#)) that was sent out Friday morning to all HMS families. We hope to have everyone's choice early this week so we can begin to make arrangements to get lockers cleaned out. As always, please contact the main office or email [kcraig@willingtonct.org](mailto:kcraig@willingtonct.org) if you have any questions or concerns. We are also making plans to reunite students and families with items in the lost and found and plan on taking pictures of items and posting via the internet for families to claim. Be on the lookout for more information regarding this process.

## **Interim Learning Plan**

The Willington Public Schools Interim Learning Plan (ILP) will again have a balance of teacher assigned instruction and online programs. Please contact your child's teacher with issues regarding programs, assignments, or work load.

## **School Breakfast and Lunch**

The Willington Public Schools Food Service staff will be serving meals, breakfast and lunch, on Monday and Wednesday. Meals will be provided for every day of the week, but pick-up and delivery will only occur on Monday and Wednesday. Meals will continue to be provided at the back of Hall School and pick-up will be between 11:00 a.m. and 1:00 p.m. Please order ahead so we know how many meals to make. [Please click here](#) to order meals for your child(ren) for the entire week and remember that all meals are free. Please submit your form by 9:00 a.m. on Monday, May 18.

Thank you for your continued support and please call the office at Hall Memorial School at 860-429-9391, Center Elementary School at 860-429-9367, or the Superintendent's office at 860-487-3130 if you need assistance.

Sincerely,

The Willington Public Schools Administrative Team
